## **DRESS REHEARSAL ATTENDANCE and DISMISSAL**

The Dress Rehearsal process is VERY important. We put all elements of the performance together at this time; lighting, costumes, spacing, choreography and music. We run as close to schedule as possible. We want the dancers to feel confident on stage during their dances and familiar with the backstage areas. Families are NOT allowed to watch the dress rehearsal unless they are assisting faculty or have permission from the Director.

***Attendance is MANDATORY and NO students may leave until Dismissal.***

## **PERFORMANCE**

Dancers will be supervised by faculty, parent volunteers, and student assistants backstage. At the end of the performance, you can pick your dancer up at the check-in desk in the lobby.
